

Lord Kubera Goddess Mahalakshmi Mantra Welcome To

Joseph S. Alter

The Ancient Science of Mantras Om Swami, 2017-05-22

Varshaphal (Annual Predication) S.P. Gour, Parashari Jaimini and Tajik are the three most popular systems of Vedic Astrology. Parashar gives more importance to the planets while Jaimini considers the rashis to be more important. Tajik is mainly used in Prashna Shastra and in Varshaphal. Tajik diverts slightly always from the main stream of the traditional methods and employs newer techniques of Astrology. 'Tajik Neelakanthi', of Acharya Neelakantha, which was composed in the 16th century AD, is the base of Tajik Jyotish. This does not mean that Varshaphal and Prashna techniques were not practised in vedic Astrology before this. 'Uttar Kalamrit' of Kalidas mentions and describes the computation of Varshaphal dasa which is different from the 'Mudda dasa' of Varshaphal. Apart from this, 'Shat Panchashikha' of Prithyushyas is the established classic of Prashna Shastra, which was composed centuries before 'Tajik Neelakanthi'. Ancient Kairaleeya Jyotish is also well known for considering Prashna to be their main technique. The influence of Greek and Arab culture is clearly seen on the word 'Tajik'. Arrival of the invaders from Western Asia initiated the exchange of culture between India and West Asia. This exchange introduced some newer techniques to our Vedic Astrology. One of these techniques was Tajik. This has been marked as the beginning of Tajik jyotish. Tajik word does not belong to Sanskrit. There are different opinions regarding this issue. Some scholars consider it to be a distorted form of the word 'Jatak'. Another view is that meaning of Tajik is a horse in Turkish and Persian language. The speed of this technique has been compared to that of a horse and for this reason it has been named Tajik. In any case the influence of Mohammedans on this knowledge is very clear. This is also confirmed by the other words of Tajik, namely mudda, muntha, sahas and the names of the Tajik yogas like Ithasal, Ikkabal, Ishraf, nakta, radda and khallasar etc. Moving at the average speed of 1° per day, Sun completes one round of the Zodiac in one year. For casting the annual horoscope we select the time when Sun reaches the longitude of the natal Sun. The horoscope cast for that date and time becomes the annual horoscope and the Varshaphal is decided on the basis of this horoscope. In a similar manner prediction for any year of the person's life can be given on the basis of the annual horoscope. In other words the annual horoscope is based on the longitude of the natal Sun and not on the date and time of birth. This also means that the date, day and time of the annual horoscope is generally different from that of the birth horoscope.

Daan and Other Giving Traditions in India Sanjay Agarwal, 2010

Geeta Vahini Bhagawan Sri Sathya Sai Baba, 2015-05-01 Bhagawan Sri Sathya Sai Baba wrote a series of articles under the Vahini series, for Sanathana Sarathi, a monthly magazine being published by Sri Sathya Sai Sadhana Trust, Publications Division, Prasanthi Nilayam. These precious articles are brought out now, under the title “Geeta Vahini”, in this book, for the benefit of readers. This is not a commentary or summary of the divine message that was given by Lord Krishna to Arjuna. It conveys the same message in a simpler form to us, in order to remove our delusion and confer faith and strength on us, so that we may realise our own reality. Bhagawan says, “Drawing on the Divine that is inherent in us is the lesson of Geeta... Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results... Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure, unblemished. Hence, he is the proper instrument.” We too can become proper instruments in restoring Dharma, if we follow the lessons that Bhagawan teaches through this book.

Sahaja Yoga Shri Mataji Nirmala Devi, 2018-04-15 Shri Mataji writes that “India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it.” This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. “The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form.”

Gaṇeśapurāṇa Greg Bailey, 1995 This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

Plant Myths and Traditions in India Shakti M. Gupta, 1971

Understanding Mantras Harvey P. Alper, 1991

Goddesses in Ancient India P. K. Agrawala, 1983 Dr. Agrawala's Present Work Largely Represents His Ph.D. Thesis (Approved By The Banaras Hindu University) In A Revised Up-To-Date Form. He Has Brought Out A Most Comprehensive

And Thorough Analysis Of The Material On The Worship Of Goddesses In The Proto-Historic And Vedic Periods Of India. A Vast Amount Of Archaeological Evidence Is Carefully Sifted And Analysed By Him In A Truer Cultic Perspective As Throwing New Light On The Role Of Mother-Goddesses In The Protohistoric Cultures Ranging From Small Agricultural Communities Of Baluchistan Foothills To The Highly Developed Harappans. Dr. Agrawala Has Also Identified And Discussed In A Systematic Manner Varied Motifs And Concepts Of Fertility Cultus In The Rgveda And Later Vedic Texts Which Were Subsequently Formulated Into Definite Images, Personifications And Attributes. He Has Marshalled In A Fully Objective Treatment All Those References In The Vedic Literature That Go Now To Reveal Numerous Fresh Aspects Of This Hitherto Unexplored Subject. One Is Able Indeed To See Through The Present Work How The Rgvedic Goddesses, Mostly Abstractions, Later On Assumed Mythical Definitions In The Pantheon And How The Folk Culture Of India Exercised Its Far-Reaching Influences On Higher Priestly Religion Not Only By Contributing Its Own Share Of Goddesses But Also Through Their More Concrete Identification With The Already Existing Ones In Myths And Cult Rituals.

Keepers of the Kalachakra Ashwin Sanghi, 2022-06-24 A seemingly random selection of heads of state are struck down like flies by unnamed killers who work with the clinical efficiency of butchers. Except that they leave no trace of their methods. Welcome back to the shadowy and addictive world of Ashwin Sanghi. After The Rozabal Line, Chanakya's Chant, The Krishna Key and The Sialkot Saga, Ashwin Sanghi returns at last with another quietly fearsome tale-this time of men who guard the 'Kalachakra' or The Wheel of Time. Sanghi describes a world of people at war with one another-a boomeranging conflict of faiths that results in acts of such slow and planned human cruelty that they defy human imagination. Caught in the midst of this madness is Vijay Sundaram, a geek scientist who is only dimly aware that the wider sky outside his laboratory is stretched taut and close to being torn apart by forces that he wants simply to have nothing to do with. But events conspire to propel Vijay into the labyrinth of Milesian Labs, a centre of research deep in the forested hills of Uttarakhand. What he stumbles upon is a primordial clue to a galactic secret that could accelerate the downward spiral of humankind. Trapped and wholly unaware of his actual foe, Vijay races against time to save humanity-and himself. Zigzagging from Rama's crossing to Lanka to the birth of Buddhism; from the origin of Wahhabism to the Einsteinian gravitational wave-detectors of LIGO; from the charnel-grounds of naked tantric practitioners to the bespoke suits of the Oval Office; and from the rites of Minerva, shrouded in frankincense, to the smoke-darkened ruins of Nalanda, Keepers of the Kalachakra is a journey that will have you gasping for breath-but one that you cannot abandon till all the pieces of the jigsaw come together. Till you come up gobsmack against an end that you simply did not see coming.

Karttikeya, the Son of Shiva Shakti M. Gupta, 1988

Hinduism and the Religious Arts Heather Elgood, 2000-04-01 The roots between the Hindu religion and the wider culture are deep and uniquely complex. No study of either ancient or contemporary Indian culture can be undertaken without a clear

understanding of Hindu visual arts and their sources in religious belief and practice. Defining what is meant by religion - no such term exists in Sanskrit - and what is understood by Hindu ideals of beauty, Heather Elgood provides the best synthesis and critical study of recent scholarship on the topic. In addition, this book offers critical background information for anyone interested in the social and anthropological roots of artistic creativity, as well as the rites, practices and beliefs of the hundreds of millions of Hindus in the world today.

Ramakatha Rasavahini Sathya Sai Baba, 1980

A Search for the Historical Jesus F. M. Hassnain, 2004-01-01

Biological Decoding of the Hindu Gods and Goddesses SARANYU S. SARASWATI, 2020-10-05 Know the meaning of Hindu Gods and Goddesses? Know the great philosophy of worship in idols by the Hindus? What makes an Avatar of Lord Vishnu? Why Devi Durga is worshipped in many different manifestations? How come death (Yama) is a God! How Hindu Gods are parts of health sciences? This book has found a foundation of the Hindu religion that enables to know Hinduism better, to find answers to all such questions. This book tells about the meanings of the Hindu Gods. It speaks about the living body. Body/health and Gods are the same! The science of "life" of ancient times is Hindu Gods, by names. The book has decoded the Hindu Gods, including astrological planets, in the language of anatomy, physiology, biochemistry, physics, behavioural science, etc. giving new dimensions to the religion, and our biological understandings. Welcome to the knowledge core of the Hinduism. Welcome to the core knowledge of the body functioning applicable to all the streams of biology and health science including Yoga, Siddha, Ayurveda, Homeopathy, etc.

The Wrestler's Body Joseph S. Alter, 1992-08-03 The Wrestler's Body tells the story of a way of life organized in terms of physical self-development. While Indian wrestlers are competitive athletes, they are also moral reformers whose conception of self and society is fundamentally somatic. Using the insights of anthropology, Joseph Alter writes an ethnography of the wrestler's physique that elucidates the somatic structure of the wrestler's identity and ideology. Young men in North India may choose to join an akhara, or gymnasium, where they subject themselves to a complex program of physical and moral fitness. Alter's first-hand description of each detail of the wrestler's regimen offers a unique perspective on South Asian culture and society. Wrestlers feel that moral reform of Indian national character is essential and advocate their way of life as an ideology of national health. Everyone is called on to become a wrestler and build collective strength through self-discipline.

A Portrait of Sri Ramakrishna Akshayakumāra Sena, 1998 Ramakrishna, 1836-1886, Hindu religious leader from Bengal.

Servant of the Lotus Feet Gabriel Brandis, 2004-02 *Servant of the Lotus Feet: A Hare Krishna Odyssey* is the true story of an adolescent's quest for spiritual meaning. Enchanted by the wisdom of the Orient, Sidd drops out of his freshman year of

college in the early 1980's to join the Hare Krishnas while visiting Boston. During the course of four years in New England and New York City, Sidd struggles as a fund-raiser for the cult. As an initiated Brahman priest, he gains privilege and responsibility. Sidd's innocent question posed to the spiritual master in a room of hundreds of curious guests and devoted followers shakes the foundations of the temple walls, engaging the holy man's wrath. Disillusioned by the contradictions and deceits perpetrated by the elders of the Indian religious cult, including his and other allegedly pure spiritual masters, Sidd gradually backs out of the movement. While visiting his family for a holiday reunion, Sidd is abducted and compelled to review the facts about the religious cult he had embraced.

Celebrate Diwali Carol Plum-Ucci,2007-08-01 Describes the history of Divali, its symbols, and how it is celebrated today.
